## Adventure Base 100

On the week of March 25 - 29, O-Shot-Caw Lodge and the Miami Dade County Youth Fair held the Adventure Base 100. Members of O-Shot-Caw Lodge and South Florida Council worked together to help promote Scouting to youth, teens and adults walking around at the Fair.

There were multiple displays and activities that visitors could check out and get involved in. They offered a picture shoot, a movie about Scouting, a ropes course, and of course the interactive Bus.

To continue your Adventure Base 100 journey, please remember to visit [www.adventurebase100.org](http://www.adventurebase100.org). There, you can retrieve all the exciting elements you developed while you were on the campus. To do so, you will need to enter your unique access code located on the back of your passport. On this virtual Adventure Base 100 site, you can access your pinewood derby car results and green screen souvenir photo, and enjoy a fun "webisode" capturing the excitement of our stop in your area.

Thanks again for sharing your day with us. We hope your experience with the Boy Scouts of America doesn't stop here, and we look forward to your leadership in making the next 100 years as memorable as the last.
