Haunted Forest 2010

This year's Haunted Forest took place at Markham Park from October 22nd to October 24th. The weekend was full of great weather and no rain. Chapters began setting up displays Friday night to get a head start on the busy weekend to come. All the great meals of the weekend were cooked by the Elgixin Chapter. Haunted Forest Chairman **RJ Hickman** did a great job making sure the weekend went smoothly and without incident. All the Chapters continued on with their displays throughout the day until the afternoon. The Chiefs made their walk around before dinner was served. The midway was filled with fun games like marshmallow shooting by the Gokhos Chapter and a water balloon throw by the Elgixin Chapter. Work done at Summer Ordeal made the pathways more accessible to patrons and helped ease the flow of traffic. A big thanks to all Lodge Officers that made the weekend possible. In total the Lodge raised \$21,000 which will go towards the Joseph Aaron Abbot Campership Fund to help underprivileged scouts attend summer camp.

Section Seminars 2010

On November 5th – 7th, 2010, members of the O-Shot-Caw Lodge attended the S-4 Section Seminars, hosted by the Timuquan Lodge at the Sandhill Scout Reservation in Brooksville.

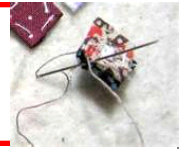

These seminars were designed to train members in the Order of the Arrow in a variety of skills. These skills include leadership, ceremonies, and American Indian Activities. In addition to the seminars, brothers from around the state of Florida played Frisbee, watched and participated in a Pow Wow, and traded patches.

Among the seminars offered were Lodge Publications, Beadwork, Quality Lodge, How to Run a Successful Chapter, and Hotbox, as well as seminars on each principle from the Ceremonies. There were also sessions on Native American Dance, Drum, clothing, and beadwork. In addition to seminars, Brothers were given the opportunity to provide service in a nearby park.

Members of O-Shot-Caw Lodge were treated to a fantastic weekend and had a great facility to support all the weekend activities, some of the seminars taught by O-Shot-Caw Brothers such as **Jake Cutler** and **Brad Schmidt**. Timuquan Lodge did an excellent job of hosting the event. Despite frigid temperatures, all attendees had a great time and learned a lot about the Order.
