Section Conference!!!!

The annual Section S-4 Conference is approaching fast upon us. Section Conference will be held this year at Wallwood Scout Reservation, Quincy, FL. It is being hosted by Semialachee Lodge.

Section Conference is where all of the lodges in our section gather to challenge each other in

friendly competition and come together as brothers.

These competitions range from games like "Lodge Ball" to Native American activities such as Ceremonies, Dance and Drum team competitions.

O-Shot Caw Lodge will be traveling together as a contingent to go to Section Conference. Participants have the option to pay for both the lodge bus and registration or just registration and find a separate ride up.

Registration fees may vary depending upon your travel methods.

Looking For Adventure? Look No Further!

OA High Adventure programs offer the experience of a lifetime! Our Order has always been defined by cheerful service and brotherhood, and in no aspect of our program is this more evident than in our high adventure programs.

Arrowmen 16 to 20 years of age are eligible to attend programs such as OA Trail Crew at Philmont, OA Wilderness Voyage at Northern Tier, and OA Ocean Adventure at Sea Base. Build

brotherhood with Arrowmen from around the country as you spend one week serving the outdoors through valuable work projects and the following week exploring the natural beauty offered by our national high adventure bases. Outdoor education and personal reflection are additional hallmarks of our programs, allowing Arrowmen the opportunity to leave with much more than your average camping experience.

Why spend over \$1,000 to visit a national BSA high adventure base for only one week, when you could pay half the cost for more than twice the program? Available spots are filling fast, so visit adventure.oa-bsa.org to find out more information on how to sign up for OA High Adventure today!
