MESSAGE FROM THE LODGE CHIEF

It is with great pride that we present the 2019 O-Shot-Caw Lodge National Service Award Petition.

We as brothers in the Order of the Arrow centralize ourselves in cheerful service. As members of the O-Shot-Caw Lodge, we take any opportunity to provide our service to others. Providing service to where it is needed is something we do best as a lodge.

A year in our lodge is filled with service. Our lodge provides service every month, every week, and almost every day of the year. We provide service in many capacities from working and maintaining our camps, to helping Cub-orees, and to helping in different community events. We do all this willingly and with a smile on our faces.

We provide our service because we care for our community and the people around us. We do this because we enjoy lending a helping hand. We do this because it is the right thing to do. The Order of the Arrow has instilled in us the amazing virtue of cheerful service. We have implemented this in our everyday lives. As the chief of this great lodge, I am so proud of all these wonderful arrowmen who continuously help and serve.

Keanu Orfano,
Lodge Chief

DIRT PATROL ERADICATION AND REFORESTING

O-Shot-Caw Lodge’s Dirt Patrol is a group of lodge members that are concerned with keeping Camp Elmore, one of our Council Camps, environmentally sustainable and in good condition. This year, the Dirt Patrol spent a lot of time taking out invasive plants and trees such as Australian Pine and Brazilian Pepper, and reforesting the camp with native plants and trees donated by local agencies and non-profits. They also utilize the grow house recently built at Camp Elmore to grow native plants and trees to be planted throughout the camp. The Dirt Patrol also constructed high-quality signage for educational purposes to identify various trees and plants, as well as locate key locations around the property.

SERVICE WITH A TWIST (SWAT) TEAM

The O-Shot-Caw Lodge SWAT Team provided needed service at Camp Elmore, Camp Sawyer, and the Brinton Environmental Center in the Florida Keys.

Their first service opportunity was at Camp Elmore, where they built a grow house for the Dirt Patrol to grow saplings and seedlings in the early stages of growth for the council camp.

During our second Service week at Camp Sawyer, Lodge members built an enclosure for the kayaks and boating equipment, including a shelving system for the kayaks.

Our third service week was back at the Brinton Environmental Center. The SWAT Team built 3 large barges for the property to utilize.

The SWAT Team also does projects at various lodge functions. It is an on-call team used for many projects when needed.

O-SHOT-CAW BUILDS ZOO MIAMI CAMPSITE

Ever since 2018, the O-Shot-Caw Lodge has been involved in a huge project to install a campsite on the property of Zoo Miami.

Spearheaded by the Hnu-Ra-Con Chapter, our Lodge members built a primitive campsite capable of providing areas for both tent and hammock campsites. We had three chapters who mainly took initiative in the project. Hnu-Ra-Con Chapter has a collective of 432 hours; O-Shot-Co-Chee has a collective of 78 hours; To-Hopki-Lagi has a collective of 20 hours. Keep in mind, we had lodge members of all chapters assist with this project, not just the ones mentioned.

This year, the lodge assisted in the painting of a white projector screen so movies could be playing on the premises, moving logs to separate campsites and walkways, spread mulch throughout campsites and walkways, and construct benches for the campsites' recreational area.

This project has gained national attention from the Order of the Arrow. An article was published on oa-bsa.org on August 8th, 2019 talking about the preparation of the project since its inception.

To-Hopki-Lagi cooked for the weekend, preparing meals for the brothers that attended, as well as the food for the ordeal candidates.

After the ordeal ceremony, we held a Sash n' Bash where brothers could bond with one another and play games, all while the drum and dance teams performed.

LINCOLN MARTI - JANUARY 26, 2019

CARLOS ARBOLEYA PARK

On Jan. 26, the O-Shot-Caw lodge set up an Indian Village at Lincoln-Martí Camporee. The Indian Village allowed the lodge to promote the ideals and influences of the Order of the Arrow through the variety of stations and programs.

Scouts could interact with arrowmen through stations such as camp promotions, historical display, and the games tent. Camp promotions allowed scouts to learn about different summer camp opportunities, OA High Adventure, and the three BSA Camps in South Florida Council; Camp Elmore, Camp Everglades, and Camp Sawyer. The historical display allowed scouts to learn the history of the lodge, as well as the foundation of the Order of the Arrow. Lastly, the games tent allowed scouts to play an Indian dice game as well as arm wrestling, which became a huge hit for the area.

The village also included a dance harbor where scouts and parents can sit and listen to the O-Shot-Caw Lodge Drum Team sing as well as see dancers from the O-Shot-Caw Dance Team perform a variety of dances ranging from Northern Traditional to specialty dances such as the hoop dance.

At the beginning of every hour, we invited participants to gather in the dance harbor, as we held mini-powwows exhibiting many dances as well as allowing the audience to join in.

After visiting each station, the participating scouts received a 'Future Arrowman' t-shirt to take home as a souvenir.

The Indian Village turned out to be a success. Scouts had fun learning and experiencing American Indian culture, and existing brothers were interested in getting more involved with the lodge.

SCOUTMASTER'S CAMPOREE - FEBRUARY 15-17, 2019

MARKHAM PARK

The 60th Scoutmasters Camporee was held on Feb. 15-17 at Markham Park in Sunrise, Fla. At this event, thousands of scouts across South Florida Council, as well as troops from other councils across the state of Florida, get together for a weekend full of competition, fun, and fellowship.

The O-Shot-Caw Lodge helps out at this event every year. On Friday, Feb. 15th, we had a number of arrowmen help set up the American Indian Village display, as well as set up the Heron Grill. On Saturday, Feb. 16th, the O-Shot-Caw Lodge provided programming in the American Indian Village by showcases a variety of songs and dances, as well as premier several of our committees such as Camp Promotions, Historical, and Ceremonies (refer to Lincoln-Marti to see a more in-depth description of our American Indian Village). Something new we encouraged was to set up booths for our chapters. Troops got to interact with representatives of the chapter in their district and discuss unit elections, what the chapter does, and when the chapter meets. We also had arrowmen assisting in the Saturday night arena show. We concluded the event by leading scouts owns at various locations of the park on Sunday.

SPECIAL OLYMPICS - MARCH 2-3, 2019 MIAMI-DADE COLLEGE NORTH CAMPUS

An event that has become very near and dear to the heart of O-Shot-Caw Lodge, is the Special Olympics. Although held on the same weekend as the National Leadership Seminar, we have seen the positive effect of our participation reflected in the faces of the participants so that it warrants our continued support and dedication to the event, even though it coincides with our annual Lodge Fellowship. Each year we help the athletes in any way we are able, from preparing box lunches, setting up tents and chairs on Saturday and serving lunches and cleanup on Sunday. If you are unfamiliar with Special Olympics, it is a special athletic event akin to the World Wide Olympics which is held every 4 years. These athletes are gentle souls with special needs that participate in sporting events which encourage them to compete to their best ability no matter the outcome of the event. Our brothers receive much satisfaction and love from the service rendered during this weekend as we are taught humility, patience and compassion from those athletes who live by the Special Olympics Motto:

“ Let me win.
But if I cannot win,
Let me be brave in the attempt.”

SPRING ORDEAL - MARCH 8-10, 2019

CAMP ELMORE

In efforts to celebrate the new changes national have put in place regarding membership requirements, we held a special ordeal to give new candidates an opportunity to enter the Order of the Arrow before our Lodge Banquet and Section Conference events.

The ordeal took place Mar. 8-10 at Camp Elmore, 3301 SW 142nd Ave. The event brought in **29** new members into the lodge.

Work projects from the weekend include clearing Brazilian Pepper from the main road to the camp, de-weeding the amphitheater, chapel, and volleyball court areas, and washing picnic tables in campsites.

This was a monumental Ordeal for the lodge. Not only are we now inducting scouts from the Venturing/Sea Scout programs, but we are inducting them in time for some of the biggest events in our scouting year. This should help retain members, as well as bring in more candidates in future ordeals.

It took major planning and cooperation with the South Florida Council VOA to make the ordeal happen.

SUMMER ORDEAL - MAY 31-JUNE 2, 2019

CAMP ELMORE

The last event of the 2018-2019 scouting year for the O-Shot-Caw Lodge was the Summer Ordeal. This event was held at Camp Elmore on the weekend of May 31 to June 2.

This ordeal welcomed **36** new ordeal brothers into our lodge, as well as bring back **10** brothers to seal their ties.

Both candidates and lodge members were present to work on the projects at hand. Projects included planting slash pine trees in the Ron Bell Ceremonies Ring, remove grass from fishing and swimming areas of lake, trim branches and hedges, and pull weeds in amphitheater and chapel. Arrowmen and candidates were also tasked to stain and seal benches and bleachers in the amphitheater, chapel, and volleyball court.

The SWAT Team was also present for the ordeal to work around Camp Elmore. They were tasked to stain and seal kitchen countertops, hook up lighting, waterlines and drainage to the pole barn kitchen, and to move the amphitheater blinds so it didn't block the view of the lake.

Per usual, we ended the ordeal with a big feast. Nok-Su Chapter led the Sash-N-Bash and the AIA Committee had their drum and dance team performing in front of the new members.

The event concluded with a Scout's own, camp-wide LEC Meeting, and lodge elections to elect the slate of officers for the 2019-2020 scouting year. Everyone departed in good graces, and the lodge had another successful ordeal in the books.

LODGE LEADERSHIP DEVELOPMENT WEEKEND AUGUST 16-18, 2019 - TATHAM SCOUT CENTER

The Lodge Leadership Development Weekend was the first lodge event of the new scouting year. It was held at the Tom Tatham Scout Center on August 16-18, 2019. There were 73 arrowmen in attendance.

The lodge decided to do LLD a bit differently this year, by splitting the arrowman up into patrols and have the trainings be tailored to the patrol design. The trainings were more interactive and engaging. Each patrol had a patrol guide, along with the trainer for the sessions at hand. This year was the first to have an LLD Staff team dedicated to the event. The Staff Team met multiple times to structure the event and carry the event to fruition.

Trainings include but not limited to: The History of the O-Shot-Caw Lodge, Goal Setting and Time Management, Challenge the Process, Dress for Success, and Performing Effectively for your Role. The training also included a round-robin led by the Staff and a committee/chapter breakout session, where arrowmen can meet with the people they will be working closely with throughout the new scouting year. Another added element to the weekend is having the patrols play “The Game of Life,” a traditional WoodBadge game that gives lessons based around the goal trying to make the most (hypothetical) money.

The event concluded in a Scout’s Own service, as well as a final lecture from the Lodge Adviser. The event closed on high remarks and proved to be a success.

HAUNTED FOREST - OCTOBER 18-20, 2019

CAMP ELMORE

Every year, in the second to last weekend of October, the O-Shot-Caw Lodge puts on its annual Halloween event, “Haunted Forest”. Each chapter has the opportunity to put on their own themed house, set up a midway game, and compete in the Golden Pumpkin competition. It’s also our lodge’s biggest fundraiser of the year. This fundraiser goes towards the Joseph Aaron Abbott Camper-ship Fund, which assists scouts with financial needs to go to Summer Camp.

We had a lot of volunteers this year, as we had people both on and off the trail this year. When people are not scaring guests in the houses, they were cleaning the bathrooms, running concessions, guiding cars to their parking spot, or cleaning up. This is a large operation we have every year, and each year we get more and more support from volunteers. The event brought great success to the chapters, who can’t wait to work it again next year.

For the last 23 years, the O-Shot-Caw Lodge has implemented the Chapter One Day of Service, Each chapter participates in one annual service event. As presented here, the service on chapter levels has reached the communities of Monroe, Broward and Miami-Dade, Florida. One day of service is the minimum requirement; however, many chapters participated in much more service to their communities, districts, and council events.

ELGIXIN CHAPTER HAS PROVIDED A TOTAL OF 3002 HOURS OF CHEERFUL SERVICE.

Over the course of this year, Elgixin has completed a multitude of service in the community. We have thousands of hours due to many service projects that we have completed.

**HNU-RA-CON CHAPTER HAS PROVIDED A TOTAL OF 222 HOURS
OF CHEERFUL SERVICE.**

Throughout 2019, the Hnu-Con-Chapter provided lots of service to our Lodge and community. We started the year off with multiple service projects at ZooMiami. Coordinating with the Zoo, we planned to build a primitive campsite in a small area of unprotected land, which the Zoo owns. The campsite has both tent and hammock campsites, with permanent poles in the hammock sites, and it is on a lake. We started by clearing out lots of underbrush, debris, fallen trees, etc. We also pressure washed an old storage building, which we plan to have a scouting/zoo themed mural on. We then began to outline each campsite with logs, after filling the walkways with mulch and the campsites with pine needles. We have contacted local troops in our district and have one scout building a fire ring for his Eagle Scout Service Project. We are not finished with the campsite, but we are about 3/4 of the way there. Another service opportunity we took part in was our Hurricane District Camporee where we planned, supplied staff, and executed the event for the units in our district.

**PALDANI CHAPTER HAS PROVIDED A TOTAL OF 224
HOURS OF CHEERFUL SERVICE.**

The Paldani Chapter had a productive year of service. We had our annual day of service which is the Paldani-A-Thon where we had boys leave a donation of \$50 a piece and stayed at the West Hollywood Elks Lodge overnight. Donations went towards the Joseph Aaron Abbott Campership Fund, Maury Clancy Native American

Scholarship Fund, and many more. We had our flag retirement in June where we retired over 100 flags at the West Hollywood Elks Lodge. We then had three planning meetings for the haunted forest in October where we discussed our plans for the haunted forest and assigned positions. The Paldani Chapter also assisted with the Seminole district cook-o-ree in November where some brothers assisted with running events. The Paldani Chapter also had our annual callout ceremony where we gave all the elected people in our district a nice introduction to the order and gave them instructions on how to register for the ordeals. In all, the Paldani Chapter participated in many service opportunities.

**POOCA-TOOKA HAS PROVIDED A TOTAL OF 80 HOURS
OF CHEERFUL SERVICE.**

The Poo-ca-Tooka chapter completed a lot of service in the 2019 calendar year.

In the first part of the year, our chapter members participated in our districts Cub-O-Ree, an event where cub scouts can participate in activities like bb gun shooting, archery, knot tying, and relay races. Our members gave service by running activities and assisting individual packs in keeping spirit up and the competition fun and friendly.

We also provided service at our districts Cub Fun Day and Webelos Jamboree. At Cub Fun Day, our scouts were assistant range masters at the archery range and assisted the cubs in learning proper shooting form. We helped them hit their targets, and worked to instill a love of archery in the kids. At the Webelos Jamboree, our brothers did odd jobs throughout the day and ran the stadium show that night. At both of these events, we showed these future Boy Scouts what the Order of the Arrow is and how we help our council and communities. I like to think that we may have inspired some future arrowman at these events.

To conclude, our chapter was active in giving back to the scouting movements and helping our lodge and council camps. Every year we strive to complete more service than the last as providing cheerful service is what our order was founded on. We are already working on projects for next year and are excited for the service to come.

In the beginning of the year a bunch of my chapter members had served in the Cub-O-Ree. We did a good job, had fun, and put in a hard day's work. In October, we helped out by packing up and storing church sale goods for St. Vincent de Paul, after their fall sale fundraiser for the needy and homeless. We also did a chapter work day making props and set pieces for the Haunted Forest. In conclusion the Tomoka Chapter had an amazing year going to numerous lodge events and engaging with other chapters. We hope to have another amazing year.
